to make an impact in your community, your country, and your world. That's why we're excited to have you join other Hallie's Angels chapters.

Every day, our sister and daughter Hallie motivates us to make a difference. Hallie loved to write in her journal, play with animals, and help others. In kindergarten, Hallie wrote in her notebook: "People, Be nice to each other. Love, Hallie." And later she saved \$398 of her lunch money to help children in sub-Saharan Africa. But on May 15, 2004, 10 hours after hip-hop class, five hours after a birthday party, and three hours after being struck by an SUV, Hallie, age 11, drew her final breath.

5 Reasons why it rocks to be a Hallie's Angel...

Hallie inspired us to create the LOVE, HALLIE foundation and its youth division, Hallie's Angels, to help young people improve their communities and the world.
